About Me

I am a dedicated and enthusiastic computer science student at the University of Gujrat, with a strong foundation in C++ and Object-Oriented Programming. With hands-on experience in front-end development and ongoing studies in Data Structures and Algorithms using C++ and Java, I am eager to apply my skills and knowledge in a practical setting. I am passionate about technology and committed to continuous learning and improvement. I am seeking an internship opportunity where I can contribute to projects, collaborate with experienced professionals, and further develop my technical and problem-solving abilities.

Education:

Bachelor of Computer Science.

Currently Student.

University of Gujrat, Gujrat.

Relevant coursework: [List any relevant coursework here]

Skills:

- Proficient in C++, Html, CSS and JavaScript.
- Strong communication skills, both written and verbal
- Excellent problem-solving abilities
- Ability to work effectively in a team as well as independently
- Quick learner with a strong desire to acquire new skills

Projects:

Hotel Management System

Developed a comprehensive Hotel Management System using C++ with Object-Oriented Programming principles. This project included features such as room booking, customer check-in/check-out, billing, and reporting. I designed and implemented various classes and functions to manage the hotel's operations efficiently, ensuring a smooth user experience and robust backend logic

Experience:

University of Gujrat — *Computer Science Student*
June 2024 - Present

- Completed coursework in C++, focusing on Object-Oriented Programming and Data Structures.
- Developed a comprehensive Hotel Management System as part of a semester project, utilizing C++ and OOP principles.
- Engaged in various group projects and coding challenges, enhancing teamwork and problem-solving skills.

Freelance Projects — *Front-End Developer*
June 2024 - Present

- Designed and developed several personal and small websites using HTML, CSS, and JavaScript.
- Collaborated with clients to understand their requirements and deliver user-friendly and responsive web designs.
- Continuously improved my skills by staying updated with the latest trends and technologies in front-end development.

Coding Club, University of Gujrat — *Member*
April 2024 - Present

- Participated in weekly coding sessions and hackathons, improving my coding skills and algorithmic thinking.
- Assisted in organizing coding events and workshops, fostering a collaborative and educational environment for peers.
